EXPERIENCE NEBULA

The Experience Nebula sits at the center. Here we find out what happens when children actively engage with the session, from how they develop ideas to how they respond to conflict and how they remain engaged.

EXPERIENCE NEBULA

IDEA GENERATION AND DEVELOPMENT

THE STAR

Idea Generation and Development refers to how ideas emerged and how children picked up on them.

PROMPTERS

Where did the idea come from?

How did children build on it or change it?

What support helped the idea grow?

STAR GAZER MAP

.tadaa

AFFECTIVE ENGAGEMENT

THE STAR

Affective Engagement refers to the emotional dimension of children's active participation.

PROMPTERS

What emotions shaped the session?

When did ownership help or hinder?

What feelings needed our attention?

STAR GAZER MAP

.tadaa

EXPERIENCE NEBULA

PARTICIPATION NEGOTIATION

THE STAR

Participation Negotiations include all negotiations undertaken during the session.

PROMPTERS

What needed support?

What priorities clashed?

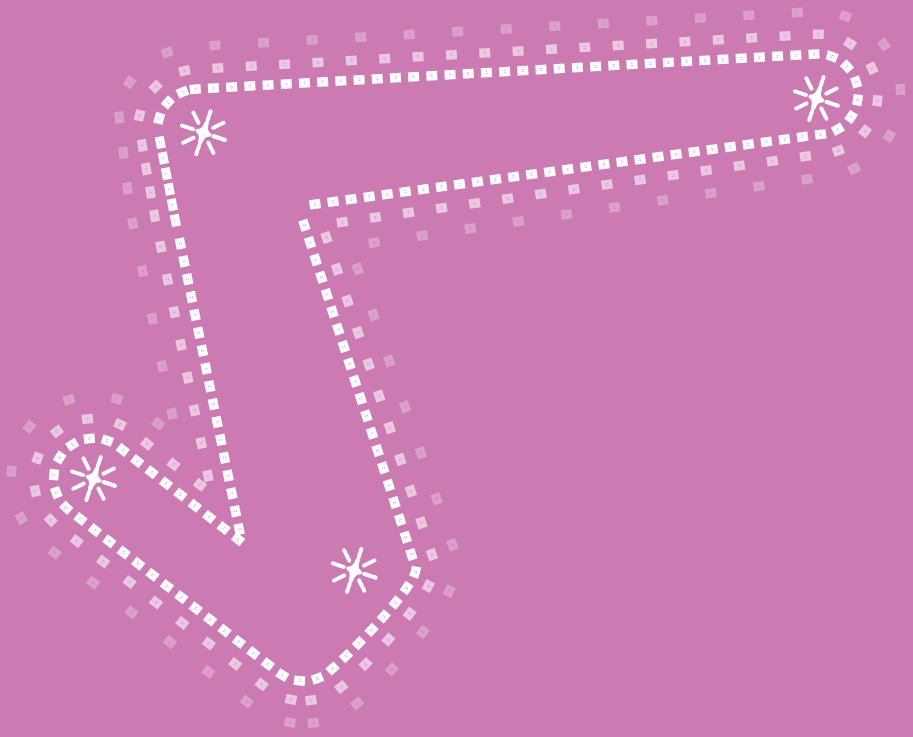

What quick decisions were needed?

STAR GAZER MAP

.tadaa

SOCIAL NEBULA

The Social Nebula focuses on the human dynamics, highlighting how all parties engage with each other and negotiate roles.

STAR GAZER MAP

.tadaa

GROUP DYNAMICS

THE STAR

Group Dynamics investigates the dynamics between children, with a particular emphasis on conflicts.

PROMPTERS

How did group dynamics shape the work?

What supported or strained collaboration?

How did children connect with peers?

STAR GAZER MAP

.tadaa

CHILDREN'S ROLE

THE STAR

Children's Roles refers to the various ways children participate in participatory sessions.

PROMPTERS

How did children shape the session?

How did we support their agency?

What affected their interactions?

STAR GAZER MAP

.tadaa

FACILITATORS' ROLE

THE STAR

The Facilitators' Role category includes the ways adults run the session.

PROMPTERS

How did we guide the session?

How did other adults shape the atmosphere?

What role did the other adults take?

STAR GAZER MAP

.tadaa

RELATIONSHIP BUILDING

THE STAR

Relationship Building considers all of the steps taken to create a balanced relationship.

PROMPTERS

How did we build a relationship with children?

How did we manage power imbalances?

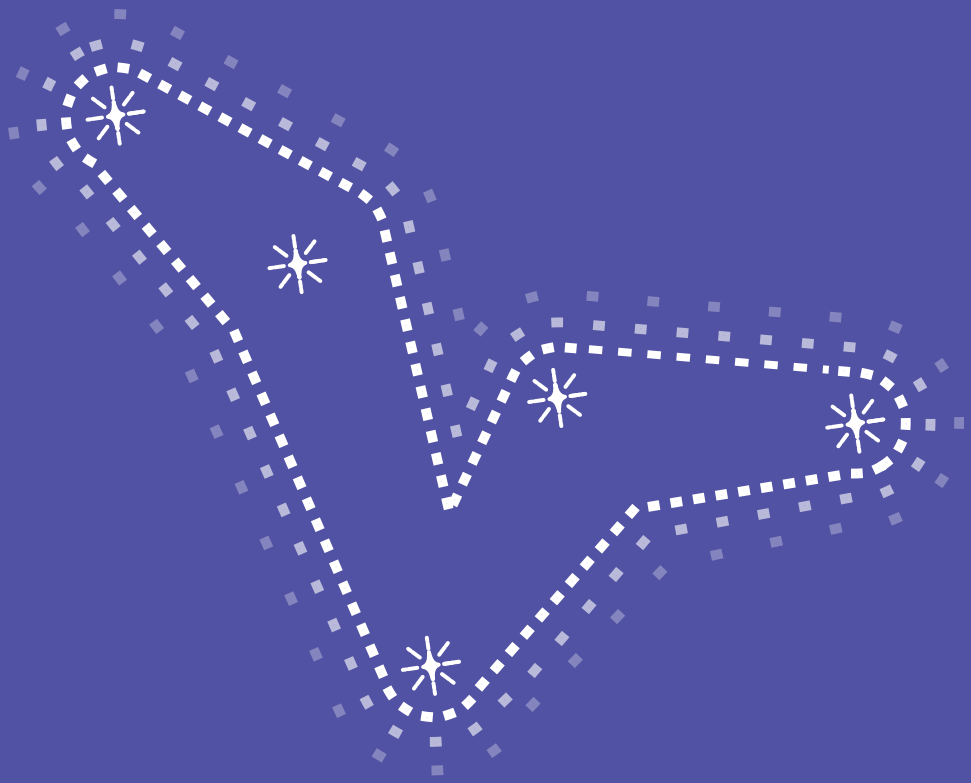

How did we build a relationship with caregivers?

STAR GAZER MAP

.tadaa

STRUCTURAL NEBULA

The Structural Nebula focuses on how the session is set up. The enablers are typically prearranged and primarily practical, but during the session they are modified and reexamined.

STAR GAZER MAP

.tadaa

SETTING

THE STAR

Setting refers to the place, the mood, and the time period of the session.

PROMPTERS

How did the setting shape participation?

What influenced the atmosphere?

How did timing affect the session?

STAR GAZER MAP

.tadaa

ACCESSIBILITY MEASURES

THE STAR

Accessibility Measures include all considerations and practical actions planned or improvised to adapt to the children's specific needs.

PROMPTERS

What needs required attention?

What barriers limited access?

How did we tailor the session?

STAR GAZER MAP

.tadaa

TOOLS

THE STAR

Tools delves deeply into the description of the tools and their role in providing children with the opportunity to participate actively.

PROMPTERS

What did the tools enable?

How did they support inclusion?

How did they influence children's engagement?

STAR GAZER MAP

.tadaa

TECHNIQUES AND PROCEDURES

THE STAR

Techniques and Procedures describes the techniques used and the procedure carried out during the session.

PROMPTERS

How did children grasp the process?

What surprises emerged?

How did we adjust our approach?

STAR GAZER MAP

.tadaa

GROUP COMPOSITION

THE STAR

Group Composition provides information about the children in each group, as well as the reasoning behind their formation.

PROMPTERS

How were groups formed?

What influenced group balance?

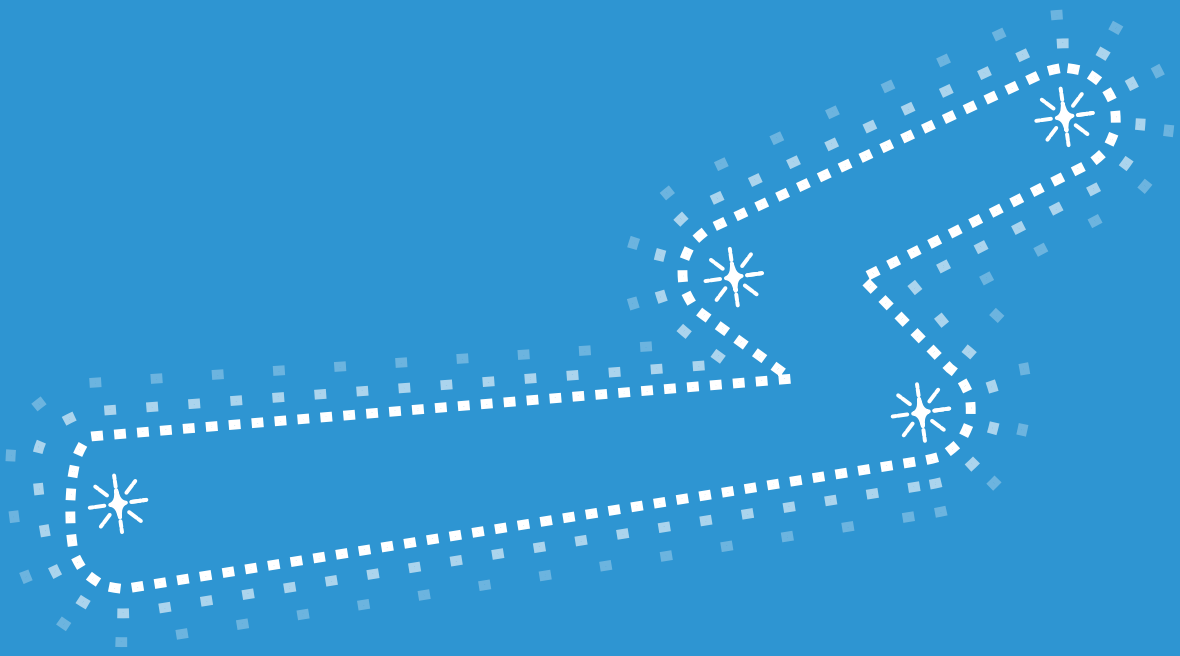

How did group size affect participation?

STAR GAZER MAP

.tadaa

IDENTITY NEBULA

The Identity Nebula includes all of the elements that the session is situated in. These ties are established by the participants, who bring their backgrounds, knowledge, and values, as well as the researcher's positionality.

STAR GAZER MAP

.tadaa

IDENTITY NEBULA

RESEARCHER'S POSITIONALITY

THE STAR

Researcher's Positionality entails their identity and their values.

PROMPTERS

How did our identity matter?

What assumptions surfaced?

What values guided our choices?

STAR GAZER MAP

.tadaa

CHILDREN'S IDENTITY AND DEMOGRAPHICS

THE STAR

Children's Demographics provides information on gender, age, ability, nationality, and socioeconomic status.

PROMPTERS

What identities shaped participation?

How did recruitment influence the group?

What factors affected who could join?

STAR GAZER MAP

.tadaa

CHILDREN'S SKILLS AND KNOWLEDGE

THE STAR

Children's Skills and Knowledge refers to the skills and knowledge that children bring to the session and develop.

PROMPTERS

What prior knowledge mattered?

What skills influenced participation?

What learning emerged?

STAR GAZER MAP

.tadaa

CHILDREN'S VALUES

THE STAR

Children's Values reveals how children's opinions, emotional attachments, and sense of fairness influence their engagement.

PROMPTERS

What context did children need?

How did they express their values?

What was hard to interpret?
